Stock #	Cultivar	Description	Age	Size	Price
W03-44-45	Pinus strobus 'Green Twist'		New	(D)	\$25.00
		A dwarf WB found on Pinus Strobus Contorta in Iowa at the Brickelhaupt Arboretum by Randy Dykstra. Superb!			
New Graft	Pinus strobus 'Horsford'				\$15.00
		A choice very dense dwarf tight bun with a manicured look. One of my favorites .			
W03-35-136	Pinus strobus 'Horsford Sister'			(D)	\$15.00
		Dwarf open growing pine grows about 3 " per year .			
Limited	Pinus strobus 'Julian Pott'			(M)	\$35.00
		One of the smallest of the pygmy dwarfs with rich dark blue foliage that was developed by the late Julian Pott from a WB seedling. It will grow to 24" in 20 years .			
New Graft	Pinus strobus 'Kruegers Lilliput'			(M)	\$15.00
		A mutation on a plant of Radiata forming a squat globose plant. Found in Germany in 1968 at the Kruger Nursery. Has stout blue needles shorter than normal.			
New Graft	Pinus strobus 'Little Giant WB'			(D)	\$20.00
		A WB found in Sleeping Giant Park in Hamden Connecticut by Dick Jaynes and Andy Brand. A compact upright pine with good blue color and in 10 years 18" by 24".			
New Graft	Pinus strobus 'Louie'			(SD)	\$15.00
		A slow growing pine with very good golden foliage retained all year. Found by Greg Williams in Vermont. Does not burn in full sun and looks great with snow backing.			
W03 20 -25	Pinus strobus 'Mary Butler'			(M)	\$20.00
		A very dwarf pine introduced by George Okken and almost lost in cultivation. Has silver and blue needles and will be 18" by 24" in 30 years .			
New Graft	Pinus strobus 'Minima'			(D)	\$15.00
		An oldie that has been around for many years with short green needles. Still a great dwarf.			
New Graft	Pinus strobus 'Mirco'			(M)	\$18.00
		A very nice pine from a WB found in Germany with good blue color.			
New Graft	Pinus strobus 'National Life'				\$20.00
		A semi dwarf pine from Greg Williams in Vermont with striking gold color.

Stock #	Cultivar	Description	Age	Size	Price
W03-12	Pinus strobus 'Oliver'			(M)	\$20.00
		A pine that is very dwarf and blue in color. Special and great on a standard.			
New Graft	Pinus strobus 'Paul Waxman'			(D)	\$20.00
		A very nice blue WB seedling introduced by Dr.Waxman from U Conn. Named after his son .			
New Grafts	Pinus strobus 'Prostrata'			(P)	\$20.00
		A slow growing prostrate Pine that grows up to about 12" then knuckles over and grows flat to the ground. This is not the same plant as Pendula.			
W03-22	Pinus strobus 'Sahara Rachel'			(D)	\$22.00
		A WB seedling from Dr. Waxman at U Conn. named after his granddaughter. Growth 24" wide 18" high in 10 years.			
New Graft	Pinus strobus 'Sea Urchin'			(M)	\$15.00
		A small globe with distinctly silver needles. A 10 year plant will be about 10" by 10". Must clean out old needles in autumn.			
New Graft	Pinus strobus 'Soft Touch'			(D)	\$15.00
		Another WB seedling from Dr. Waxman at U Conn. A plant that grows in a bun shape with soft blue needles soft to the touch. Everyone wants to touch it.			
W03-46	Pinus strobus 'South Bridge'			(SD)	\$20.00
		A nicely variegated pine with straight light green and yellow needles .			
New Graft	Pinus strobus 'Squirrel's Nest'			(D)	\$20.00
		A WB found by Dick Jaynes in Hamden Connecticut. When he climbed the tree to cut scions, a squirrel jumped out of it. Grows like a minature Strobilus, distinctly upright with a natural bonsai.			
New Graft	Pinus strobus 'Yager Pendula WB'			(D)	\$20.00
		A WB found hanging on Pinus Strobilus Pendula by the Yager Bros. from Hickory Hollow Nursery in Suffern, New York.
